About us

We are a team of creative thinkers, passionate designers & enthusiastic producers. We are a growing company situated in Oudtshoorn. With over 10 years experience in the design & production industry we finally decided to start creating our own identity.

We are a growing printing and production company with the plan to always expand in the industry. There is always a need for a printing and design company that can create innovative and splendid quality visuals with market competitive prices. This led us to Creative Block Design Studio.

Creative Block is established with the purpose of catering to the needs of businesses, who want to step ahead of their competitors with unique and high quality branding.

So, whether you are starting up a new company, or eagerly want to redefine your brand identity, Creative Block is here to help you unlock your full potential.

OurMission

Our mission is to provide our client's with an excellent product that would help represent them in a positive, creative and thought provoking way.

Our business ethics will always be represented in the manner we conduct business and how we care for our clientele.

Design and printing with a meaning and purpose, is what we strive for in each and every project.

OurVision

Our focus on the future is to supply the business market in the region as well as in the country with our outstanding design and printing solutions that would grow our clients' success.
